

## REMARKS

This is in response to the Office Action mailed October 29, 2009 requiring a restriction with respect to pending claims 1-25. With this response, claims 1-25 remain pending.

## RESTRICTION

The Office alleges the subject matter is directed to two inventions, as follows:

I: Claims 1-22, drawn to a device for rotating a user's leg, classified in class 60, subclass 16.

II: Claims 23-25, drawn to a method for exercising, classified in class 434, subclass 247.

In accordance with Office requirements, Applicant elects without traverse the subject matter drawn to a device for rotating a user's leg, classified in class 60, subclass 16 (e.g., Group I containing claims 1-22). With this election, Applicants believe claims 1-22 encompass the elected invention.

## CONCLUSION

Applicant submits that in light of the election of invention, this application is in condition for allowance. Accordingly, passage to allowance is respectfully requested.

It is believed that a no fee is required for this submission. If this is incorrect, however, please deduct all necessary fees for this submission and any extension of time required from Deposit Account No. 07-1969.
